SimplySoft[®]

About *HealthAssure*[®] by AlSCO

HealthAssure[®] by AlSCO is more than a garment and linen laundry service. We offer you the highest quality products and services backed by more than 125 years of experience in the industry.

We employ a **three-tier processing system** that meets all the safety guidelines established by the Centers for Disease Control (CDC), Occupational Safety and Health Administration (OSHA), and The Joint Commission.

Right Time ensures that garments and linens are washed to meet strict healthcare standards and remove contaminants.

Right Temperature reduces bacteria and spores.

Right Treatment means proper handling of garments and linens with appropriately applied chemicals and detergents. Garments are professionally finished and custom wrapped to meet our customers' needs.

We are committed to providing our customers with high-quality products and reliable, hassle-free service.

What HealthAssure by AlSCO offers:

- Custom rental, lease, and direct purchase programs
- Replacement, repair, and embroidery services
- Washroom supplies, mats, mops, and more
- Consistent prices and clear charges
- Online account management
- *One & Done*SM service – one contact, one-day resolution, one-time solution

Boost Your Image

Facility maintenance is an important part of your business, but you have enough to do already. Put your mind at ease. From the front rooms to the back rooms and the washrooms, the appearance of your business only touches the surface of what AlSCO can do to boost your image.

Just-in-Time Service

AlSCO's *All Fresh*SM Hygiene and Well-Being Services provide the best in facility services for your customers, your employees, and your business. With our just-in-time service, you can:

- Save time, space, and money by letting AlSCO manage your inventory
- Ensure your washroom dispensers are maintained and stocked
- Increase your professional image with quality, eco-friendly products
- Reduce cross-contamination, keeping employees healthy and lowering absenteeism
- Utilize our *One & Done*SM service – one contact, one-day resolution, one-time solution

Clean Floors

*All Fresh*SM Floor Mat

- Perfect for a variety of uses
- Protects employees, customers, and floors
- Safeguards your business from damaging dirt and moisture when strategically placed
- Increases safety with an innovative rubber backing that reduces wrinkles and ripples
- Comes in a wide array of attractive colors to complement today's interior
- Enhances your décor with the all-new, exclusive, AlSCO *Luxe*SM mat
- 100% PVC free

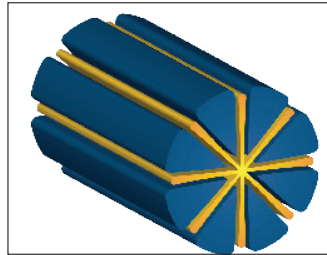

All FreshSM MicroTech Pro Mop

- Perfect for any kind of cleanup
- Picks up fine dust particles and fibers
- Reduces labor with ergonomically superior mops
- Lessens the use of water and chemicals, making them environmentally friendly
- Uses separate pads for each application to reduce cross-contaminations
- Available for wet or dry applications

Did You Know?

A UC Davis study, verified by the EPA, revealed that microfiber cleans better, lasts longer, and reduces labor, water usage, and chemical costs over traditional mops.
